Serial No

DE 18 FEB. 1926 6153.

It was originally intended that the dispensary be at Tagarthi. At the time of passing the budget for 1925-26 it was agreed that as Tagarthi was a Jodi village the dispensary may be opened at another place Belandur. The Sh Board Shimoga have now resolved that Tagarthi as a more populous & accessible place is more suited for locating the dispensary than Belandur which is a small and inaccessible village. The Surgeon supports the recommendation. Draft saved the proposal is sub for consideration

With reference to your letter No.G.C.106-24, dated 16th December 1925, calling for the opinion of the Board whether the dispensary should be opened at Balandur as sanctioned in G O.No.L. 4310-16¼San.6-25-dated 12th December 1925 or at Tagarthi, I have the honor to state that a letter dated 14th December 1925 received on the same subject from Messrs.
